

QUALITY POLICY

As a manufacturer of optical disc and video products, Technicolor is dedicated to achieving and maintaining a high level of quality in both products and services.

In order to achieve a product and service that we can all be proud of we shall:-

- ⊗ Make a commitment to continually improve the way we do things.
- ⊗ Continually improve the knowledge and skills of our employees.
- ⊗ Encourage both individual and team initiatives.
- ⊗ Integrate the Plan, Do Check, Act, approach into all activities.
- ⊗ Continue to meet and exceed our customer's expectations.
- ⊗ Maintain the company's quality system in accordance with ISO9001:2008 and ensure that our products conform to required regulatory and industry standards.
- ⊗ If in doubt, decide in the favour of quality.

The responsibility for upholding this policy lies with every employee at all levels within the organisation.
